The **Cyberabad Police Permission Management System**, oversees numerous permissions for events organized by individuals and organizations, requiring careful coordination and management. To improve efficiency, the department has recognized the need to **digitize and streamline the event permission process**.

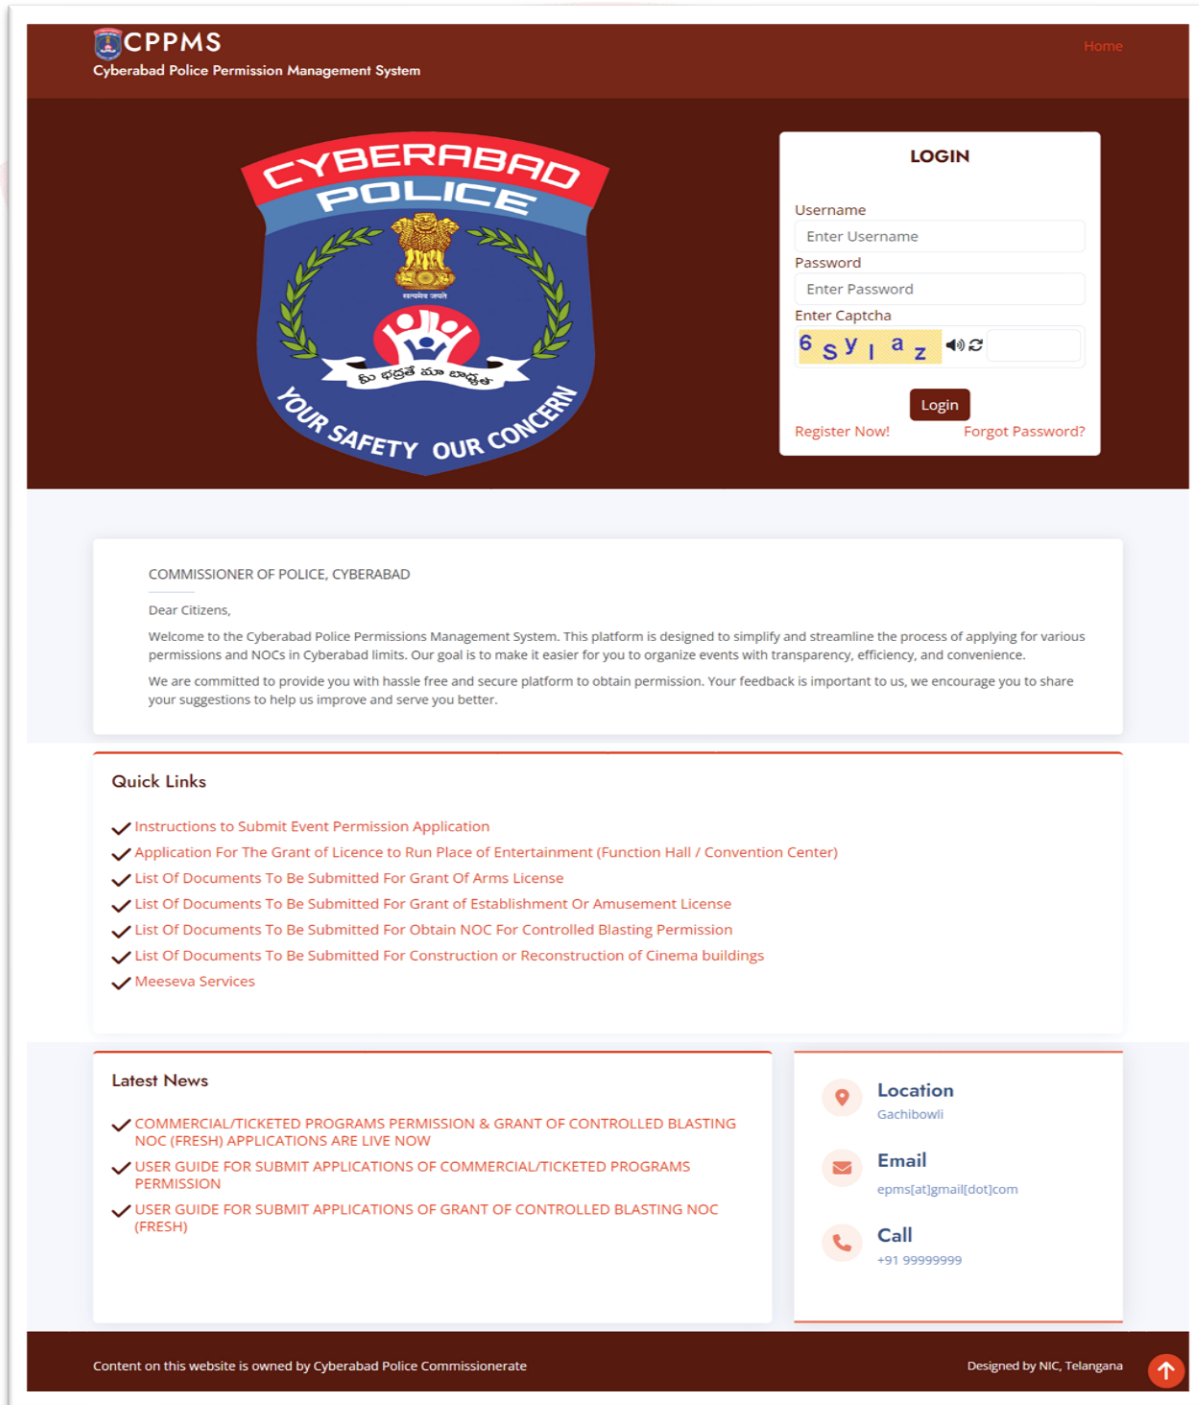

The proposed solution is to develop an **Online Permissions Management System**. This system will:

- **Simplify the process** of requesting, approving, and managing event permissions within the Cyberabad jurisdiction.
- Provide **secure access** to information about all permissions granted by the department. This digital system will enable better management, faster approvals, and a more organized approach to event permissions.

Home Page

The screenshot shows the home page of the Cyberabad Police Permission Management System (CPPMS). The header includes the CPPMS logo and the text 'Cyberabad Police Permission Management System' on the left, and a 'Home' link on the right. The main content area features a large Cyberabad Police badge on the left and a 'LOGIN' form on the right. The login form includes fields for Username, Password, and Enter Captcha, along with a 'Login' button and links for 'Register Now!' and 'Forgot Password?'. Below the login form is a message from the Commissioner of Police, Cyberabad, welcoming citizens and explaining the system's purpose. Further down, there is a 'Quick Links' section with several links related to event permissions, licenses, and services. At the bottom, there is a 'Latest News' section with three news items and a contact information box with 'Location', 'Email', and 'Call' details. The footer contains the text 'Content on this website is owned by Cyberabad Police Commissionerate' and 'Designed by NIC, Telangana'.

Registrations

If you do not have user name and password, following is the process for Registering in the portal for credentials.

These fields collectively gather personal, organizational, and event-related information necessary for the event permission process.

1. **Type:** Indicates whether the applicant is hosting the event or organizing it themselves.
2. **Name of the Applicant:** Name of the applicant
3. **Father/Spouse Name:** Provide the name of their father or spouse.
4. **Gender:** Applicant selects their gender.
5. **Address:** The applicant must enter their complete address.
6. **Mobile No:** Applicant's primary mobile number.
7. **Alternate Mobile:** Alternate contact number in case the primary one is unavailable.
8. **Email:** applicant's email address for correspondence.
9. **Aadhaar Number:** applicant enters their 12-digit Aadhaar number.
10. **Company Name:** the name of the company organizing the event
11. **PAN No:** applicant's PAN (Permanent Account Number).
12. **Upload Aadhaar:** applicant to submit a scanned copy of their Aadhaar card.
13. **Upload Venue NOC:** the applicant to submit the No Objection Certificate (NOC) from the venue where the event is being held.
14. **Upload Venue Layout:** applicant to submit the layout or floor plan of the event venue.
15. **Upload Parking Plan:** applicant to provide a parking plan for the event venue.

Event Details

Name of the Event <input style="width: 95%;" type="text" value="Name of the Event"/>	Event Description * <input style="width: 95%;" type="text" value="Event Description"/>	Name of the Venue * <input style="width: 95%;" type="text" value="Enter"/>
Venue Type * <input style="width: 95%;" type="text" value="Select"/>	Address of the Venue * <input style="width: 95%;" type="text" value="Address of the Venue"/>	Venue Landmark * <input style="width: 95%;" type="text" value="Venue Landmark"/>
Entry Type * <input style="width: 95%;" type="text" value="Select"/>	Police Station * <input style="width: 95%;" type="text" value="Select"/>	

Event Schedule

Event From Date * <input style="width: 95%;" type="text" value="dd----yyyy"/>	Event to Date * <input style="width: 95%;" type="text" value="dd----yyyy"/>	Time planned from * <input style="width: 95%;" type="text" value="Enter Time format like hh:mm(24 Hours)"/>
Time planned to * <input style="width: 95%;" type="text" value="Enter Time format like hh:mm(24 Hours)"/>		

These fields capture the essential details required to describe the event and schedule, ensuring proper coordination and planning with the relevant authorities.

Event Details:

1. **Name of the Event:** The applicant provides the official name or title of the event.
2. **Event Description:** A brief description or summary of the event, outlining its purpose and key details.
3. **Name of the Venue:** The name of the venue where the event will take place.
4. **Venue Type:** The applicant selects the type of venue from a list of options (e.g., hall, open ground, etc.).
5. **Address of the Venue:** The complete address where the event will be held.
6. **Venue Landmark:** A notable landmark near the venue to help with identification or directions.
7. **Entry Type:** Specifies the type of entry system for the event (e.g., free, ticketed, invite-only).
8. **Police Station:** The applicant selects the police station under whose jurisdiction the event falls.

Event Schedule:

1. **Event From Date:** The start date of the event.
2. **Event To Date:** The end date of the event.

3. **Time Planned From:** The starting time for the event in HH
4. **Time Planned To:** The closing time for the event in HH

Celebrities / VIP Guest detail *

Performers details *

These fields collect vital information regarding the expected gathering, ticketing process, and notable attendees for event coordination and crowd management.

Expected Gathering:

1. **Total Gathered:** The total number of people expected to attend the event.
2. **Adults:** The estimated number of adult attendees.
3. **Children:** The estimated number of child attendees.
4. **Total No of Tickets:** The total number of tickets issued or expected to be issued for the event.

Ticket Details:

1. **Category:** The category or type of tickets being sold (e.g., VIP, General).
2. **No of Tickets:** The number of tickets available for each category.
3. **Ticket Price:** The price of tickets for each category.

- Actions:** Option to add or remove rows for additional ticket categories.

Online Ticket Selling Platform Details:

- Online Platform Name:** The name of the online platform where tickets are being sold (e.g., BookMyShow, PayTm, ...).
- Mobile No:** Contact number for the platform or point of contact.
- Email:** Email address for the platform or point of contact.
- Actions:** Option to add or remove rows for multiple online ticket selling platforms.

Celebrities / VVIP Guest Details:

- Celebrities / VVIP Guest Details:** Information about any celebrities or Very Important Persons (VIPs) attending the event.

Performers Details:

- Performers Details:** Information about performers who will be part of the event (e.g., musicians, actors, artists).

Food and Beverages Details

Service of food (Yes/No) *

Yes No

Service of Liquor(Yes/No) *

Yes No

Excise Permit/License No

Excise Permit/License No

Upload excise License

No file chosen

This collects information about whether the event will serve food and liquor, the excise permit license number (if applicable), and requires the upload of an active license document.

- Service of Food (Yes/No):** Indicates whether the establishment serves food.
- Service of Liquor (Yes/No):** Indicates whether the establishment serves alcoholic beverages.
- Excise Permit License No:** If the establishment serves liquor, this field requires the number of the excise permit license issued by the relevant authority.
- Upload Active License:** This field requires the upload of a valid and active license document, typically a copy of the excise permit license or other relevant permit.

Parking Arrangement

No of expected Two Wheelers *

No of expected Four Wheelers *

No of expected Buses and Others *

Parking Arrangements (Place Area available Parking) *

No of Parking Marshals *

Security Arrangements

No of Security Personnel Deployed (Male) *

No of Security Personnel Deployed (Female) *

Access Control Security No of DFMDs *

Access Control Security No of HHMDs *

Access Control Security No of Scanners *

No of CC Cameras Arranged *

Note: No cameras, enter 0

Backup/Storage Available specify the capacity *

The form collects details about parking arrangements and security measures, such as the expected number of vehicles, parking marshals, security personnel, access control devices, and surveillance cameras.

Parking Arrangements Fields

1. **No. of expected Two Wheelers:** The expected number of two-wheeler vehicles in the parking area.
2. **No. of expected Four Wheelers:** The expected number of four-wheeler vehicles in the parking area.
3. **No. of expected Buses and Others:** The expected number of buses and other large vehicles in the parking area.
4. **Parking Arrangements (Place Area available):** Information about the available parking space, such as the size of the parking area.
5. **No. of Parking Marshals:** The number of staff assigned to manage and direct parking.
6. **Security Arrangements Fields**
7. **No. of Security Personnel Deployed (Male):** The number of male security personnel on duty.
8. **No. of Security Personnel Deployed (Female):** The number of female security personnel on duty.
9. **Access Control Security No. of DFMDs:** The number of Digital Force Multiplier Devices (DFMDs) used for access control.

10. **Access Control Security No. of HHMDs:** The number of Handheld Metal Detectors (HHMDs) used for access control.
11. **Access Control Security No. of Scanners:** The number of scanners used for access control.
12. **No. of CC Cameras Arranged:** The number of closed-circuit television (CCTV) cameras installed for surveillance.
13. **Backup/Storage Available (specify the capacity):** Information about the availability of backup power or storage facilities, along with their capacity.

Medical and Fire

Venue/Building having Fire Department Clearance * <input type="radio"/> Yes <input type="radio"/> No	If No what are the alternate arrangement made <input style="width: 100%;" type="text" value="If No what are the alternate arrangement made"/>	Ambulance (Yes/No) * <input type="radio"/> Yes <input type="radio"/> No
Any Doctor/Paramedic Available Specify No of Persons * <input style="width: 100%;" type="text" value="Enter"/>		

It collects information about medical and fire safety provisions.

1. **Venue/Building having Fire Department Clearance (Yes/No):** Indicates whether the venue or building has obtained fire department clearance.
2. **If No, what are the alternate arrangements made:** If the venue does not have fire department clearance, this field requires a description of the alternative arrangements made for fire safety.
3. **Ambulance Presence (Yes/No):** Indicates whether an ambulance service will be available on-site.
4. **Any Doctor/Paramedic Available (Specify No. of Persons):** If medical personnel will be present, this field requires the number of doctors or paramedics available.
